About our community

Our club is a **not-for-profit, volunteer run** community group. Established in 1974 at the picturesque Mudgeeraba Showgrounds on the Gold Coast, Queensland, Australia.

With a rich history spanning over four decades, we are dedicated to fostering a **love of riding and horsemanship** in riders of all ages and skill levels.

We hold rally days on the 1st and 3rd Sunday of each month for members to bring their own horses and join in. We also host events attended by **riders from across Queensland**.

Our club is **vibrant and diverse**. No matter your age, riding ability, or gender identity, our supportive environment allows everyone to thrive.

In a recent survey conducted by the local council, we were recognised as the **largest equestrian community** in the area.

Your impact

By **donating prizes** to an event, you are helping **celebrate the achievements** of our hard working riders, **encouraging involvement** in the sport & **promoting your brand**.

These events can not take place without our partnered brand's generosity.
